

# Big Boat Sailing Opportunities

The San Diego – Imperial Council has sailboats available for Ships, Troops, Crews, and Teams to rent for exciting program opportunities. Program can include, but not limited to, any of the following:

- A day and/or night sail on San Diego Bay and/or Pacific Ocean
- A sail from San Diego Bay to Mission Bay for an overnight stay
- Sea Scout Qualified Seaman (available to all Scout units)
- A day earning the Small Boat Sailing merit badge followed by a day putting those newly learned skills to use on a bigger sailboat
- Build your own program

All rentals require a trained adult skipper. If your unit does not have a trained skipper the council has a list of qualified skippers willing to help plan and take part in your program.
